Note The financial position of the South Kanara Dist. Board is not satisfactory. On the basis of the

B.E. for 1955-56, the General Account of the Dt Bd is expected to work at a deficit of Rs 1,74,780/. In the orders on the budget the Dist Board has been asked not to increase its commitments till its finances improve. The Dt. Bd is being given a D.A grant towards the deficit in its General Account. In view however of the recommendation of the DTCS, para 14 of the proposal under reference need not perhaps be objected on financial grounds.
